

# **THE SAI AVATARS GRATITUDE**

## **DIVINE GRACE FOUR**

*You may wonder who we are and why we have chosen you. We are an aspect of the triple Sai Avatars.*

*The Sai collective has blessed you and always protected you from harm.*

*You will argue with us that you have gone through immense suffering and problems.*

*You were oppressed and crestfallen; your heart was wrung with anguish and bitterness.*

*Dear One, even while you suffered, our protection was always there. Please try and comprehend that it could have been a hundred times more difficult and traumatic.*

*We implore the denizens of Planet Earth to never ever think of committing suicide; your soul/subtle bodies will suffer for centuries.*

*You will also stall the evolutionary progress of humanity. Mankind has to progress together, hand in hand.*

*Your next question will be about the senseless murders, rapes and terrorism activity.*

*It is difficult to explain this in a simple way because the intricate laws of karma are involved.*

*These incidents are born because of lifetimes of slavery and bondage.*

*A simple example, but which CANNOT be used in a general manner. What is your mental condition when you have to undergo lifetimes of slavery and humiliation?*

*You have no self-respect and are pushed into negativity and despair. Daily humiliation gives birth to anger, hatred and vengeance.*

*These qualities remain in the subtle bodies.*

*Sometimes/often they get reinforced, if the soul chooses a similar life again/more lifetimes.*

*If hatred and vengeance overpower them, then they may choose to adopt a role/life where they can express themselves.*

*Anger often produces more anger and is unhealthy for the human body.*

*Different souls adopt a male or female physical form in consonance with their Dharma.*

*Sometimes circumstances in the past lifetimes create a situation in the present life, where a soul gets raped or murdered.*

*We are not covering up anything, Dear One.*

*We are trying to explain to you and through you; to your millions of readers.*

*Everything is senseless and there is a feeling of inadequacy and hopelessness.*

*We always try to positively influence these souls, but very often, they shut us out.*

*Please forgive every soul irrespective of the pain, harm and sorrow they may have inflicted upon you. FORGIVE, FORGIVE AND FORGIVE.*

*YOU HAVE TO CONSCIOUSLY BREAK THE VICIOUS CYCLE OF HATRED AND ANGER.*

*DO NOT CREATE ENEMITY AND HATRED.*

*Try to contemplate upon every situation and then FORGIVE them.*

*STRIVE TO COMPLETE YOUR PAST KARMIC DEBTS..... DO NOT CREATE ANYMORE.*

*Mother Earth wishes for a peaceful and beautiful life for all Her children.*

*Her pain is intense, when any negative situation occurs. Wars, destruction, hatred and violence will slowly ebb away.*

*By the end of 2014, the level of higher vibrations in the Prana/Ether will be sufficient to raise lakhs of ardent seekers to the 5<sup>th</sup> dimension.*

*In 2017 the souls at the supramental level or the 5<sup>th</sup> dimension, will spread a huge net of peaceful vibrations raising the vibratory levels.*

*Slowly you will begin to find a reduction in the negative actions on Mother Earth.*

*We are the **Triple Sai Avatars** Blessing and guiding you.*

## **DIVINE GRACE EIGHT**

*Dear Ones, it is essential for you to believe in and accept that WE ARE ALL PRESENT on the Earth sphere in a subtle form.*

*The flashes of intuition which you receive are our whispers. We bless you whenever you pray to us with love and sincerity.*

*There will be times when you feel that we do NOT RESPOND to your prayers.*

*Dear Ones, we want you to know that we DO NOT INTERFERE in your karmic blueprint. Hence you may feel that we do not answer your prayers according to your expectations.*

*Dear Ones, the powerful energies of 2014, 2015, 2016 and 2017 can assist you in living in the 5th dimension of life.*

*You are then freed from the restrictions of karmic blueprint and your karmic debts.*

*Lifetimes of karma will be redeemed through sincere prayer and devotion.*

*You can call ANY NAME and you will receive assistance and guidance. DO NOT EQUATE ANY OF US AS SUPERIOR OR INFERIOR!!*

*WE DO NOT COMPETE WITH EACH OTHER, BUT ONLY SUPPORT AND SHOWER LOVE.*

*All distinctions and divides exist on the Earth sphere.*

*You create these divides, because you perceive everyone as distinct and separate from you;*

*You create identities, factions, discord and hatred....eventually!!*

*All subtle forms can merge into each other and there is no sense of divide and competition.*

*However when some people crossover; they tend to carry a lot of emotional baggage and rigid beliefs, imbued in their subtle bodies.*

*We wish to motivate you to practice meditation daily; so that you can lighten your auras and reduce the karmic debts stored in your subtle bodies.*

*We urge you to use the energies of 2014, 2015, 2016 and the powerful healing energies of 2017 to walk into the light.*

*Thousands of you will read these words after 2017. Dear Ones, we assure you that these energies will always be present.*

*They will remain in the Earth atmosphere till 2070 and will give way to a different set of dynamic energies in accordance with the inter-galactic changes.*

*Our parting advice of this important channeling is to let go of your ego; your desires, wants.....let go of your resentments, anger, jealousy and hatred.*

*Let go of ALL NEGATIVITY Dear Ones!!*

*When you DO LET GO; fill yourself with gratitude and humility. These virtues will assist you in entering the 5th dimension.*

*Please start now!! The Spring Equinox is always an energetic day in every year and assists us in releasing negativity.*

*Practice forgiveness and ascend towards us; and spread our words and radiate our light.*

*We are the **Triple Sai Avatars** Blessing you.*
